in order to get the most constructive good out of the money appropriated by the town at the annual town meeting. Since vinyl is a very specialized installation and shingling can be done well by a good carpenter the choice became clear.

Building Inspector Scott Armbruster who sat in with Selectmen on the discussion said that he had not yet come up with some carpenters to recommend but that he would be looking. He advised that the shingles be dipped before application for maximum resistance to weathering and for long life. The trim will be painted white. Selectmen are very anxious to start the project as soon as possible. The first reason is seasonal since experienced carpenters will be more readily available in the off season. The equally pressing reason is to remove and repair rot which has appeared in the facade of the building. Selectman James Huntoon said that the board would be very interested in hiring an unemployed experienced carpenter who is a family man. Mr. Armbruster will oversee the repair work.

Selectmen's Meeting

TOWN HALL REPAIR

Selectmen made the decision to shingle the Town Hall with white cedar shingles dipped in bleaching oil which will result in a silver grey appearance for the building. The decision between vinyl siding and wooden shingles was influenced by the Selectmen's decision to do the job with carpenters employed by the town

It was noted that the vinyl siding would have included an insulating boa board which would have been a valuable addition to the uninsulated front section of the Town Hall. The Selectmen will investigate the possibility of using an insulating sheathing under the shingles to accomplish the same insulating quality.

STORM DESTROYS SEED SHELLFISH

Shellfish Warden Al Pauline advised Selectmen that the Tuesday storm had caused great damage in both scallop and quahog future harvest. Thousands of seed had been cast up on the shore which indicate poor seasons 2 years ahead.

PIERCE RESIGNS

Robert Pierce submitted his resignation from the Board of Appeals. Chairman George Hines conferred with Selectmen on the vacancy. Alternates will be contacted to determine their interest in serving.

WALTER APPERSON TRIBUTE

Selectmen observed a moment of silence in the memory of Walter Apperson. They recalled his long and valued association with public service to the town. Mr. Apperson recently resigned from the Board of Assessors after many years of service. Mr. Apperson passed away January 3rd in North Carolina.

FISH LICENSING RULES

A change in commercial licensing for fishermen was made to coincide with the fishing season. Licenses will now be in force from October 1 to April 1. Selectman Frank Suzan observed that fishermen should welcome this change which starts at the opening of the scallop season. License fees will remain the same as last year. Commercial boats will be allowed 2 permits per boat each to be

SPAGHETTI SUPPER TO BENEFIT THE TORRIE WRIGHTINGTON FUND

The townspeople of Rochester are continuing and expanding their efforts on behalf of the Torrie Wrightington Fund, the fund established for the nine year old Rochester Memorial student seriously injured in a bus accident on December 30th. The Parent and Teachers' Organization of Rochester Memorial School is sponsoring a Spaghetti Supper to be held at Old Colony Regional Vocational Technical High School on North Avenue in Rochester on Friday, January 21st. The staff and students of the Culinary Arts Department as well as the administration at Old Colony have offered their facilities and their services to help in making the P.A.T.O.'s efforts for the fund as successful as possible.

There will be two seating times for the supper, so that everyone can be

The film is being provided by the Friends of the Library of Rochester. This will give parents a little while to enjoy an uninterrupted cup of coffee and conversation and will add to the children's enjoyment, in addition to giving them a special way to contribute.

Each shop at Old Colony has donated one or two of their products or services to be raffled off at the supper. The Girl Scout Troop of Rochester has also sought donations of raffle prizes. The Girl Scout Troop will be selling tickets for the raffle at the supper, and tickets will be drawn and prizes awarded at each of the two seatings.

Tickets for the supper are available through Rochester Memorial School, from members of the Rochester Woman's Club, and through the Cub Scout Pack. Tickets can also be obtained at the various churches in town. For further details or ticket information please contact Beverly Pusateri at 763-2161, Sylvia LaBonte at 763-8520, or Terry Pawelczyk at 763-8173. Your support of this event is an excellent opportunity for you to enjoy a tempting meal with your family, to get together with members of your community, and most importantly, to help in a very worthwhile cause. "Special Anchorage" Area

COAST GUARD TO ESTABLISH SPECIAL ANCHORAGE IN MATTAPOISETT HARBOR

On February 3rd a public hearing will be held at the Mattapoisett Town Hall concerning the establishment of a "Special Anchorage" in Mattapoisett Harbor. This action is the result of a request by the Selectmen to the United States Coast Guard in 1980 to establish such an anchorage.

A Special Anchorage as defined by the U.S. Coast Guard Regulations is shown on navigational charts. These regulations permit any vessel of not more than 65 feet to anchor, or moor

in this Special Anchorage Area without exhibiting anchor lights, or sound signals. At present all vessels anchored or moored in the harbor without lights or signals are in violation of the Inland Rules of the Road and could be found liable in case of an accident with another vessel at night or in periods of low visibility.

The designation of such an Anchorage should have no impact on Mattapoisett Harbor beyond limiting the liability of all boat owners using the anchorage area and identifying the area on charts for persons unfamiliar with the area. It does not indicate the safety of holding ground or other concerns in the anchorage.

1983 STATE FEDERATION CONTESTS

The Massachusetts State Federation of Women's Clubs is sponsoring several contests for clubwomen again this year. They fall into a number of categories:

1) Creative writing - short story, essay, or poem.
2) Original Easter Song
3) Ladies Barbership Quartet - twenty minute program on tape.
4) One-act play
5) Painting - oil, watercolor or pastel.

If you have a hidden talent, or a secret desire to try something new, this is a good opportunity. Federation deadlines are March 1 for entries, so the local deadline will have to be about a week sooner. For information, eligibility rules, and application forms, contact Susan Smith at 758-9314.

Lost: An Attitude of Success

Editorial, D.C.J.

When the United States lost World War II it lost more than a military victory. It lost a concept of life and work that had made this country the premier standard of the world. I say we lost the war and the evidence surrounds us today. We won the victory only. What a hollow one!

Where once the United States was the most productive country on earth, where once we took pride in sending our product to every part of the world, we now look to Japan for quality together with the quantity to make it affordable. Japan, the loser on paper, defeated by our military might and technology, has emerged the clear victor in the area which we considered our own. They are now the capitalists. We have slid so far down to the socialist path that it sometimes is difficult to imagine what wide differences we have with the Soviets.

Japan, after World War II, was supported by the United States. We took the entire burden of defense from the their shoulders as they renounced an army and navy. This enormous economic drain lifted, the Japanese borrowed the best human aspects of our system. The United States took an opposite path. We now have an adversary system in our industry. Highly paid executives made decisions that have just about destroyed our automobile industry choosing to ignore the trend to fuel efficient cars. At the same time, labor ignored the fact of the losing market of our product and

pushed for more and more money for less and less work. These two factors combined to shove our main industry to the brink of disaster. Count the cars on the road and then say Japan lost the war. They have clobbered us!

How do they do it? The Japanese train their workers to be multiskilled workers; train them to do a job with such skill and care that they feel as if they own the equipment. They instruct the worker in the meaning of pride. The Japanese pay bonuses and benefits geared to profits. This incentive system works and works well. The Nissan Corporation, now building a plant in Tennessee, expects to have no union. They expect to be paying the workers more than other companies because the work will be producing more than competitors in the United States industry.

In the total economy, the Japanese have stolen the free enterprise system from the country that invented it. I was reading recently, the Japanese cannot understand why the United States penalizes thrift and enterprise and rewards the opposite side of the coin. The United States taxes a citizen once for working to make money, taxes again on savings, taxes more on investments to provide the capital for business and industry. If, on the other hand, a person borrows money, tax deductions are allowed on the interest. We penalize the industrious, the thrifty as we reward the borrower. People are encouraged or forced to retire on a social security system that is based on nothing more substantial then the theory that more and more people will

always be working to supply funds for those who are drawing retirement money. This whole theory is already proven false as the system goes broke but politically this can not be admitted to the public. No taxes will be sufficient to support this system as the population levels off.

The United States likes heroes and we need heroes, as many as we can produce. We have George Washington, we have Abraham Lincoln, we have Henry Ford, Thomas Edison, Alexander Graham Bell and, if you like, we have Martin Luther King. We have heroes enough so that if each were honored with a holiday no one would work at all. We would all sit idle while we starved. The United States needs heroes but we surely need no more holidays. For each day that we loaf, the Japanese are working and they are working very smart. If anyone doubts this let them take inventory of their personal possessions, both in the home and in the garage. The late conductor of the Boston Pops said it all. Arthur Fiedler was quoted, "He who rests - rots".

CHARLES PREFONTAINE, R. Ph.

Yes, Dorothy,

now you can get ready for that mean old Scholastic Aptitude Test. Bristol Community College has designed a very special course so you can do well on all facets of the S.A.T. The Course begins Tuesday, February 8 and runs for six weeks -- just in time for you to take the test. Special in-person registration sessions are scheduled for January 18, 20, and 25 from 6 to 8 P.M.

What the United States needs to do and do fast is study the Japanese methods of training for its workers to find out how it is that they can come to this country, build a plant, pay higher pay than our own overpayed auto workers and still beat us as they surely plan to do.

Our auto industry is capable of building a fuel efficient car so comfortable that it makes the average Japanese model look like a toy that rides like an old time ice wagon. How do we know that? The industry is now turning out such a car. It now remains for United States companies to recapture a lost market by keeping the prices within the reach of the public and at the same time keep the quality and that is the rub. Can we keep the politician from holidaying us to death? Can we keep the politicians from taxing away all of the incentive to work and save? Can we motivate the worker with pride and incentive as the Japanese do? Can we wake up our top executives to the trends in the world before they lose their market? Can we halt the dizzy slide to socialism which is a cruel lie sold by politicians? These are some of the questions. The first thing the United States needs to do is study its heroes and find out why they were successful. I'm quite sure it wasn't enjoying Saturday holidays on the preceding Friday for those who do not normally work on Saturday.

A NOVENA TO ST JUDE - Oh Holy St. Jude Apostle and Martyr, Great in virtue and rich in miracles, near kinaman of Jesus Christ, Faithful intersessor of all who invoke your special patronage in time of need. To you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present and urgent petition. In return I promise to make your name known and cause you to be invoked. Say Three Our Fathers, Three Hail Marys and Glorias. Publication must be promised. St Jude pray for us and all who invoke your aid. Amen. This novena has never been known to fail.

Of all the 250,000 species of flowering plants, there are just two that don't need water from the soil. One is the pygmy cedar and the other is the caper plant of the Sahara. Both take all the moisture they need from the night air.

Community Calendars

LIONS TO BEGIN COMMUNITY CALENDAR SALE

This week the Mattapoisett Lions begin their Community Calendar sale. The Calendar makes Mattapoisett a friendlier place to live by informing people of the birthdays and anniversaries of their loved ones and acquaintances. Just about everyone in Mattapoisett knows today is the birthday of Sarah Corkum. It is public knowledge that tomorrow Bob and Jeanette Mathieson will celebrate their wedding anniversary. It's nice to surprise someone on their birthday or anniversary with a special greeting and the Lions' Calendar makes all this possible.

Last year the birthdays and anniversaries of over 1400 families were listed on the calendar, and more than 750 calendars were distributed.

For the 29th consecutive year, the Lions Club is sponsoring this project. The calendars are sold at cost and the proceeds from the advertising and sale of listings go to the club's many charitable outlets and results in civic betterment all over. In this manner a major portion of all money taken in is sooner or later channeled back into our community to make this a more friendly and comfortable place to live.

The project will continue through Janu-

Performance at Sippican School

Gary Rose and Bill Shontz, better known as Rosenshontz, will appear at Sippican School Monday, January 24th, at 1 and 2 p.m. Equipped with voices, guitar, flute, clarinet, sax and penny whistle, Rosenshontz blends sophisticated rhythms and instrumentals in performing their original music.

The program is being sponsored by VASE (Volunteers at Sippican Elementary) and Sippican School and is partially funded by the New England Foundation For the Arts, the Massachusetts Council on the Arts and the National Endowment for the Arts.

Yes, James,

you can register in person January 18, 20, or 25 at Old Rochester Regional High School for any one of more than 20 credit and non-credit courses.

They're part of Bristol Community College's continuing ed program. Perhaps computer programming is your thing. Or, maybe you'd like to become a chess master. Register from 6 to 8 P.M. at the high school.

National Merit Program

COMMENDED STUDENTS

David S. Hagen, Principal of Old Rochester Regional High School, has announced the names of seven seniors who are being commended in the 1983 National Merit Scholarship Program. Letters of Commendation will be presented to Steve J. Baggarly, Betty A. Johnson, Melissa A. LaCrosse, Gregory D. Louden, Henry Ouimet, Allison J. Ripple and Jennifer F. Shepley who placed among the top five percent of the participants in the twenty-eighth nationwide competition.

A spokesman for National Merit Scholarship Corporation, which conducts the Merit Program, stated, "To rank among the top 50,000 performers in a competition that includes over one million participants is an out-

standing attainment, deserving of public recognition. We sincerely hope that the academically able young men and women who are commended in the Merit Program will diligently pursue their higher education opportunities and career goals. The nation will benefit by the full development of their talents."

The students being commended this month, who are now beginning their final year of high school, entered the 1983 Merit Scholarship competition by taking the qualifying test in 1981. Commended participants scored high, but slightly below students in their respective states who qualified as Merit Program Semifinalists. Only the 15,000 Semifinalists, who were announced in a national news release on September 16, will receive further consideration for about 5,000 Merit Scholarships to be awarded next spring.

acceptance under the Early Decision Plan means a student is committed to attending that college. A deferment under this plan means the student's application will be reconsidered under the regular admissions process. The Early Notification Plan offered by some colleges means a student will be notified by January of acceptance but is not committed to that college. Both programs are highly competitive.

This year Old Rochester Regional High School had five students accepted under the Early Decision Plan. This group includes Steven Baggarly, Davison College in Religious Studies; Deborah Brewster, Tufts University in Occupational Therapy; Arlene Haskell, Rensselaer Polytechnic Institute in engineering; Scott Jepson, Massachusetts College of Pharmacy; Allison Ripple, Cornell University in a double major combining liberal arts and engineering. In addition, Mary Noyer has been accepted under the Early Notification Plan at the University of New Hampshire.

The Lloyd Center

The Lloyd Center for Environmental Studies in South Dartmouth and Rhode Island Audubon Society's Caratunk Wildlife Refuge in Seekonk will be sharing staff members and ideas starting this month in order to offer a variety of natural history walks and programs to the public at each of the two centers.

This cooperative effort is based on the diverse expertise of staff members and an enthusiasm for sharing their knowledge with a wider audience. The natural history collections of each Center, including birds' nests, study skins and other specimens, will also be used.

The Lloyd Center for Environmental Studies, 430 Potomska Road, South Dartmouth, is 55 acres of salt marsh, maritime forest and freshwater wetland located on the Slocum River estuary. Weekly Walks on a variety of natural history subjects help visitors to become more familiar with this maritime ecosystem's inhabitants and processes.

Caratunk Wildlife Refuge, Brown Avenue, Seekonk is 159 acres of pristine fields, forest, brooks and ponds just seven miles outside of downtown Providence. The Refuge provides a protected and diverse habitat for native plants and animals, and organizes guided walks for purposes of observation and study.

The first event in this staff exchange program will be a Bird Nest Walk at Caratunk on Sunday, January

WALK=WEST SWAMP TRAIL

The West Swamp Trail will be the topic of a guided walk to be held at the Lloyd Center for Environmental Studies, 430 Potomska Road, South Dartmouth, on January 23rd at 1:30 p.m. The West Swamp Trail is one of four trails at the Center which are open to the public.

One hundred years ago the fifty-five acres on which the Lloyd Center is now located was cattle pasture and farmland. Since then many changes have occurred. Today the forest of the West Swamp Trail is home for a wide variety of wildlife. As we walk the trail we will identify plant and animal species and discuss wildlife habitat relationships. The wetland character of the wooded swamp provides us with an opportunity to observe the many factors that shaped this area.

Weekly walks at the Lloyd Center are open to the public and are free of charge. Call the Center at 990-0505 if you plan on attending this walk. The Center's grounds are open to the public from dawn to dusk 365 days a year.

tinue until March 3, 1983. Lou is a Mattapoisett resident and lives with her mother, Marilyn R. Whalen, at 147 Fairhaven Road. After graduation from ORRHS in June Lou plans to further her art education. In the past, her work has received gold key awards in the National Scholastic Art contest that is sponsored yearly by the Boston Globe. Presently her senior portfolio is competing for scholarship awards in that same contest. Sue Zartman, guidance counselor at the high school, played a key role in assisting Lou Whalen's application to this powerful program experience.

AIR FORCE ROTC SCHOLARSHIP AWARDED TO ORR SENIOR

Henry Ouimet, son of Mr. and Mrs. Henry Ouimet of Mattapoisett, has been awarded an Air Force ROTC Scholarship. This scholarship is a four-year award covering tuition, books, fees and a monthly stipend. Following college graduation, Henry will be commissioned as a second lieutenant in the Air Force. He is obligated to four years active duty and two years in the reserves.

The ROTC Scholarships are extremely competitive. Approximately 30,000 students apply nationally but only 3,000 awards are made. Awards are based on academic achievement, SAT scores, extra-curricular activities and leadership potential.

During his four years at Old Rochester Regional High School Henry has been a member of the soccer, hockey and golf teams. He also served on the executive board of student government and has been a member of the Math Team. As a junior, Henry was a delegate to Massachusetts Boys State. He

Career Awareness

On Wednesday, February 2nd, ORRHS will be holding its second of four career awareness programs at the high school. Approximately 20 speakers will be present from 20 different fields to discuss with students the qualifications, working conditions and future in their respective careers.

The list of careers to be addressed on February 3rd are as follows: Architect, Physician, Computer Programmer, Sportscaster, N.B. Police Investigator, Model, Engineer, I.R.S., Banker, District Fire Warden (Plymouth County), Plumber, Executive Secretary (Acushnet Company), Supervisor of Security, Pharmacist, Carpenter, Sales Rep (Trucking Co.), Professional singer, Linesman (Comm Elec.).

The program which will run from 8:30 am to 10:00 am is open to the residents of the three towns, and we cordially invite all parents with an interest in learning more about the above careers to attend.

All parents of ORRHS students are asked to be sure that their students attend on that day. A great deal of time and effort have been invested in the development of the career awareness program. It can only be sucessful if the student is here.

SMU Theatre

"TERRA NOVA" TO BE PERFORMED AT SMU

"Terra Nova", a play by Ted Tally that dramatizes Captain Robert Scott's tragic expedition to the South Pole, will be presented by the Southeastern Massachusetts University Theatre Company from January 20 through 23.

The curtain will go up at 8 p.m. in the SMU auditorium.

"In the winter of 1911-1912 five Englishmen and five Norwegians raced each other to the bottom of the earth," said playwright Tally. "This is the story of the courage of the Englishmen."

The cast, directed by Angus Bailey, includes Bill Begley of Trinity Square Repertory Theatre in Providence as Scott, Tom Cayer, Tony Ferreira, John Gagne, Dan Murphy, Dennis Quinn, and Christine Romeo.

Costume design is by Mellanie Snipes and Noel Arsenault; makeup design by Dan Murphy and Denny Maloney; lighting design by Ed Gordon; set design by Ed Gordon, Dan Murphy and John Gagne; properties by John Gagne; and makeup by Denny Maloney, Dan Murphy, Audrey Murley, Linda Norwood, Cindy Clydesdale, Linda Nelson, and Sherry Tyschen.

College. Recently she received a grant from the Fund for the Improvement of Post-secondary Education for work on women composers.

Guy Urban received a Bachelor of Music degree and a Master of Music degree from the New England Conservatory of Music. His piano study has included work with Victor Rosenbaum and Patricia Zander. Mr. Urban is on the faculty of Wheaton College. He is also affiliated with the New School of Music in Cambridge and the Brookline Music School in Brookline.

There is a long history of music written for piano duet in the manner of two pianists at one piano, but there are few opportunities to hear live performances. Therefore, the program at S.M.U. will explore seldom heard treasures by Mozart, Debussy, Brahms and Rachmaninoff. In addition, Professors Sears and Urban will remark about the composers and works they will perform. The public is encouraged to attend this Guest Artist Series recital courtesy of the Music Guild of S.M.U.

but her specialty is "The Art of Black Concert Dance". Ms. Ramos has studied under various artists including Catherine Dunam and Eleo Pomare. She is presently Director of Student Workshops on Dance Technique at U. Mass., Amherst, and also choreographer for a performing dance ensemble.

Ms. Ramos will be instructing area children and young people of color in a dramatic interpretation of "The Art of Black Concert Dance". Ms. Ramos will be presenting lecture demos at local schools and organizations and will develop a community performing dance ensemble which will later be featured on the Rose Weaver Show on Channel 10.

Ms. Ramos' residence and presentation of the cultural genre of Black Concert Dance has been made possible by Project Faith and the Cape Verdean Universal Development Association (C.U.D.A.) through a grant from the Massachusetts Council on the Arts. Classes will be held at the Pilgrim United Church of Christ on 635 Purchase Street in New Bedford and are open to the minority community of Greater New Bedford including the Wareham area. To participate contact Site Coordinator Mr. Herbert Q. King at 996-9726.

The Wanderer

(William H. Tripp's History of Bark Wanderer, continued from last week)

The Wanderer remained in port after this voyage, and Edwin L. Griffiths who had been her agent for the last four years sold his interests to A.R. Nelson.

April 14, 1900, the whaler was withdrawn and she went into the merchant service. It is quite probable that she carried supplies to Nome, Alaska, for the Klondike miners.

In the latter part of 1902 or early in 1903, Captain Timothy C. Allen of New Bedford, Mass. became her agent; her home port was changed back to New Bedford; and on February 19, 1903, she sailed from San Francisco on a whaling voyage in command of Captain Benjamin D. Cleveland. She made a journey back home around Cape Horn and arrived at New Bedford September 4, 1904, after an absence of 22 years. Her catch on this voyage was 820 barrels sperm oil.

After 1904, New Bedford was the home port of the Wanderer, and all subsequent voyages were made from this port. The whaler sailed on 23 voyages in all, and was commanded by 22 different skippers. Since 1904 her captains have been: Shockley, Enos, Reed, Higgins, Jenkins, McKenzie, Mosher, Antone T. Edwards, Lewis, Joseph and John Edwards.

The Wanderer returned in 1917 from a four year's voyage under command of Captain Antone T. Edwards, with a cargo of 6200 barrels of oil; the largest voyage to her credit, and perhaps the largest in number of barrels of oil in the history of whaling.

Good luck had seemed to follow the Wanderer in her career as a whaler, although once in 1912 she was attacked by a wounded whale. On August 24, 1912, under command of Captain Lester A. Mosher, the bark was about 600 miles off Barbadoes, when the infuriated whale turned on the vessel. In the log it reads:

"Thought the whale was going to sink the ship, for at 8 o'clock he came for us head on, and we couldn't get out of his way. Made all the noise we could and slowed him up but he came alongside and tried to bite a piece out of her. At 10 o'clock he cut 4th

mate's boat in two, killed one man and hurt another pretty bad, so boats had to cut, next morning at 10 o'clock, raised same whale 4 miles to windward, dead. Got him alongside and cut him in. Made just 100 barrels."

During the summer of 1922, the Wanderer, which had just returned from a voyage, was chartered by the Whaling Film Co. and put under sail south of Noman's Land, and she was used in many of the stirring scenes of the famous moving picture, "Down to the Sea in Ships".

In 1924, although profits in whaling for several years had been rather slim, Captain Antone T. Edwards, who had been skipper of the Wanderer for about 10 years, and who was a heavy owner in the whaler, decided to fit out for another voyage. On August 25th, 1924, the Wanderer sailed on what fate had decided was to be her last voyage. A light head wind had prevented the bark from going to sea that day, so the tug left her anchored a mile or so west of Mishaum Ledge bell buoy, in Buzzards Bay. Captain Edwards and his friends returned to the city leaving the whaler in charge of the First Mate, Joseph A. Gomes, a whaleman of long experience. He had only fifteen men as a crew, some of these were working their passage to the Islands. The plan had been to go to Brava and there ship a crew for whaling.

That night, a gale arose and by noon the next day the storm had reached hurricane proportions. At the height of the gale, the anchor chain parted, and a second anchor which was dropped, dragged. The steering gear went out of commission, and in this

CIVIL ACTION
NO. CA83-16382

To WILLIAM P. SUZAN, JR., of Marathon, in the State of Florida, and to all persons entitled to the benefit of the Soldiers' and Sailors' Civil Relief Act of 1940, as amended.

FRANK F. SYLVIA and MARY B. SYLVIA, both of Mattapoisett, in the County of Plymouth, claiming to be the holder of a mortgage covering real property situated in Mattapoisett in said County of Plymouth , given by William P. Suzan, Jr. to Frank F. Sylvia and Mary B. Sylvia dated October 4, 1979 and recorded with Plymouth County Deeds, Book 4735, Page 119-120, has filed with said court a complaint for authority to foreclose said mortgage in the following manner, to wit: by entry and possession and by the exercise of a power of sale contained in said mortgage.

If you are entitled to the benefits of the Soldiers' and Sailors' Civil Relief Act of 1940 and amendments thereto and you object to the foreclosure of said mortgage, you or your attorney should file a written appearance and answer in said court at Plymouth on or before March 7, 1983, or you may be forever barred from claiming that such foreclosure made under such authority is invalid under said act.

helpless state she was driven upon the treacherous rocks of the island of Cuttyhunk. The entire crew was saved but the vessel became a total loss. Wreckers salvaged provisions, whaling gear, sails, etc. from the wreck. The stout, rugged hull of the Wanderer remained wedged between the rocks until a second storm, which occurred September 30th, entirely destroyed it.

Thus ends the record of the last active square-rigged whaler out of New Bedford.

Holy Hour

The Adorers of the Blessed Sacrament will hold their monthly holy hour Tuesday, January 25, from 7-8 p.m. at the Sacred Hearts Church, 382 Main Street, Fairhaven. It will consist of guest priest Fr. Roy Yurca, SS.CC., pastor of the St. Boniface Church, New Bedford. He will celebrate Exposition Prayers, Homily, Meditation, and will end with Benediction. Refreshments will follow in the church hall. Everyone is welcome to attend.

Our Lady of Lourdes Chapel, in the Sacred Hearts Church, is open daily for adoration (except Wednesday) from 8:00 a.m. - 9:00 p.m. Anyone who desires more information or to join the holy hour program, can contact Susan Fitzgerald, 23 Day Street, Fairhaven, 993-6610.

ORR Chess

The ORR Chess Team at the halfway point of the season remains undefeated and boasts a record of 4-0-1. On Friday, January 7th, the Chess Team had a draw against Bishop Stang with senior John Arsenio picking up a draw at board one and sophomores Jeff Starecheski and Tom Shire picking up wins at boards two and four respectively.

On Monday, January 10th, the Chess Team soundly defeated a team from Fairhaven by a score of 5-0. Winning

for ORR were John Arsenio, Jeff Starecheski, Tom Shire, Charles Mendell, and Bill Smirnov. Mr. Cameron, Chess Team advisor, attributes this year's success on an extremely young but dedicated group of underclassmen along with a strong and dependable senior player in John Arsenio. The majority of the team is made up of sophomores and they play constantly. They all play during study halls and many days you'll see them playing until 5:30 p.m. at school. With such a young group of students the Chess Team should be a strong one for several more years.

The second half of the season began Monday, January 17th, against New Bedford which ORR beat earlier by a score of 3½-1½.
